Q3 Asia-Pacific Electronic Room Nights Up 19.5%

TravelCLICK Reports Top Ten Asia-Pacific Markets

CHICAGO (30 November 2004) – TravelCLICK reported today that Asia-Pacific room nights booked electronically through the Global Distribution Systems (GDS) and key Internet sites increased 19.5% in the third quarter of 2004 versus the same quarter last year. Worldwide electronic room nights also showed an increase of 5.8% for the third quarter of 2004 versus the third quarter of 2003.

The average daily rate (ADR) for the Asia-Pacific region was \$128.34, an increase of 8.8% versus the same quarter last year.

TravelCLICK's reports are compiled from its comprehensive database, which is the exclusive source of hotel industry electronic distribution data from the Abacus/Infini, Axess, Amadeus, Galileo, Sabre, and Worldspan GDS. TravelCLICK's data also includes consumer online hotel bookings made through many of the major Internet travel sites, now including those powered by Pegasus Solutions.
