Electronic Room Nights Increase Over 37% for Middle Eastern Hotels in Q3 2005

TravelCLICK's eMonitor Reports Top Ten Destinations in Middle East

CHICAGO (19 December 2005) – TravelCLICK's eMonitor results for the third quarter of 2005 shows a 37.7% increase in room nights booked electronically through the Global Distribution Systems (GDS) and key Internet sites for the Middle East compared to the same time period in 2004. This increase drastically surpasses the 2.2% worldwide growth in room nights for the third quarter.

The Average Daily Rate (ADR) for hotels in the Middle East was \$177.64, an increase of 16.5% versus the third quarter of 2004.

"Middle Eastern markets are experiencing dramatic growth in room nights and average daily rate," said, Jan Tissera, President of TravelCLICK International. "Dubai's growth is especially impressive as it has now eclipsed over 50,000 electronic room nights within a single quarter."

eMonitor results are compiled from TravelCLICK's comprehensive database, which is the exclusive source of hotel industry electronic distribution data from the Amadeus, Galileo, Sabre and Worldspan GDS. TravelCLICK's eMonitor also includes hotel bookings made through third-party travel Internet websites powered by Pegasus Solutions.
