TravelClick Wins 29 Awards for Website Design and Digital Marketing

Digital Innovation Remains Driving Force in Connecting Travelers to Hotels

NEW YORK – May 31, 2016 – [TravelClick](http://TravelClick.com), a global provider of innovative cloud-based solutions that enable hotels to grow revenue, is pleased to announce that the Company has received 18 Horizon Interactive Awards for distinction in website design and 10 Communicator Awards for excellence in digital marketing and website design. Additionally, TravelClick has been recognized by the Webby Awards, a leading international award that honors excellence on the Internet, as an Official Honoree.

“These award wins not only reflect the importance of digital innovation when it comes to connecting prospective and returning travelers to hotels all over the world, but they also highlight TravelClick’s continued excellence in website design and marketing,” said Curtis Brewer, Vice President, Reservations and Website Solutions. “These successes are a reflection of what we are most proud of: our work on behalf of our clients, and the ability to highlight the uniqueness of every individual hotel.”

The Horizon Interactive Awards, a leading international interactive media awards competition, honors the finest in media production. The awards were established to recognize creativity, originality, communication of message, user experience and effectiveness of solution. TravelClick and its hotel clients won the following Horizon Interactive Awards for websites in the Travel and Tourism category:
